

Music eLearning Music K-2

K-2nd

March 30 - April 3

Build an instrument!

Using household items, create an instrument!
Take a photo/video of you playing your instrument and email it to edunne@cps.edu.

See below for some examples.

can drums!

straw pan pipes!

paper plate tambourine!

Notes:

Feel free to be as creative or as simple as you like. The instrument must make a noise.

There are no other rules! Have fun!

I will post some videos on my website by Monday March 30th if you'd like to see some of my examples!
